HERE'S
A SUPERCOOL
IDEA FOR YOUR
NEXT SCHOOL OUTING!

Imagine a school trip with the biggest thrill of all, riding a speeding toboggan downhill, not on snow, but on stainless steel!
It'll be the most fun you've ever had on a school outing!

See who can keep their cool on a single or double bobsled, as it rushes down the twisting, curving 1,25km track.

It's up to you to control the speed and balance and it can take your breath away if you let it!

Keep cool afterwards with a free Coke or Bonaqua and snack. **COOL RUNNINGS** offers special class and group bookings... So talk to your classmates and teachers about taking a ride without any uphill!
